

Knights of Columbus South Carolina State Council

Dear Brother Knights:

I write to you today about an opportunity to stand for life. The diocese has long defended the rights of the unborn, the poor, and the vulnerable through the activity of the bishop and the SC Catholic Conference (<https://charlestondiocese.org/south-carolina-catholic-conference/>). Many of us have participated in this important work, and have assisted local pregnancy centers throughout the decades.

We now have an opportunity to engage with our elected officials directly through intentional advocacy efforts. Each of you is invited to connect with Samuel McDonald, a member at Transfiguration Catholic Church in Blythewood, about this chance to advance the cause of life in South Carolina. Mr. McDonald has been deeply engaged in legislative efforts and is extending his expertise to assist in this important life-affirming work.

If you are interested in volunteering for this cause, please contact Mr. McDonald directly. Mr. McDonald's contact information is (mobile) 803-429-2643 or sammcdonald46@yahoo.com.

Fraternally Yours,

Daniel E Barton

Daniel E Barton
